

Your attention please, look at the book cover, what do you see? Save the Planet, Muslim Moon and Rainbow Cloud. These are your new American colors. No longer will America be represented by old Red, White and Blue colors. Today America is represented by colors of purple, black, green and yellow [liberalism]. The majority of real Americans consider these new colors toxic to the spirit of America. Many other Americans believe the new colors have already poisoned the spirit of America. The indoctrination of these new liberal colors have prompted the title of this book; "American Coloring Book- Poisoned Colors." **** Prior to 2008 America was considered a master piece coloring book grafting all colors of the world [people]. Today America is considered a waste dump for other nations refuge and trash [undesirables and law breakers]. **** As America is led to the slaughter house of socialism and communism by its 2008 Manchurian Candidate, songs of rebellion have begun to rise from its Conservative and Christian constituents. It used to be that liberals rose up to revolt against government encroachment upon freedom and liberty; today liberals are the government. **** On May 4th 1970 four Kent State University students were killed during their protest demonstration by National Guard troops. From that deadly event a song called "OHIO" emerged as the liberal national theme song for all time. **** Today Conservatives and Christians have started to echo their own theme song which is similar to the liberal theme song "OHIO," but with words of convicting truth. In the Conservative theme song of protest, four Americans are identified as patriots who were left to be killed by Muslim Terrorist in Benghazi Libya. Under the command of America's 2008 Manchurian Candidate and his Secretary of State the White House decided to allow four American patriots to be killed by Muslim Terrorist. Here are the lyrics from America's new protest theme song produced by American Coloring Book Publishing. **** BENGHAZI OHIO SONG **** Obama and Clinton running; We four are left alone. Tonight we hear the Muslims; Benghazi four no more! ///Blaming videos on it, Obama has turned us down; Should have been gone long before. What if you knew Stevens; Saw him drug on the road; Clinton "does it matter anymore?" ///repeat- Blaming videos on it, Obama has turned us down; Should have been gone long before. What if you knew Stevens; Saw him drug on the road; Clinton "does it matter anymore?" /// Obama and Clinton running; We four are left alone. Tonight we hear the Muslims; Benghazi four no more! /// CHRIS -Benghazi four no more! TYRONE -Benghazi four no more! GLEN -Benghazi four no more! SEAN -Benghazi four no more! /// FOUR! -Benghazi four no more!..... **** **** Benghazi is just the tip of America's dysfunctional government and problems. Fortunately there are four historical critical assessments that can help America get back on track to producing a prosperous and moral nation. These critical assessments are explained further in detail in this book "Poisoned Colors-American Coloring Book." **** Here's a quick case in point: As liberalism dismantles the U.S. Constitution its inevitable that a liberal dictator will rise to control a weak and gullible minded populous. The liberal dictator will demand through executive orders the following unconstitutional actions: ***1] Control the Media ***2] Control the monetary system ***3] Control the 2nd amendment right of citizens to bear arms [guns] *** 4] Control the freedom of speech [Christians]. **** **** America must ask itself this question today; ARE WE THERE YET [dictatorship]? Read "POISONED COLORS" from ACB Publishing to find out! **** What's the difference between a free man and a slave? **** Answer: A slave doesn't own a gun!
