

This text contains a concise and detailed guide to the proper management and care of cage birds, with a particular focus on singing birds. A wonderfully accessible guide that contains everything one might need to know about cage bird keeping, this text is ideal for the amateur and constitutes a great reference book for existing aviculturalists. Many antique books such as this are increasingly rare and hard to come by, and we are proud to republish this text now in the hope that it can continue to be of value to avicultural enthusiasts in the future.
