

While most quarterback coaching information addresses plays and schemes, this book focuses on quarterback mechanics and fundamentals. It addresses virtually every fundamental that a quarterback needs to develop in order to become a championship quarterback. This book also covers several factors that are rarely talked about, like film study and the year-round process that quarterbacks need in order to become the best that they can become. Furthermore, this book reviews the process it takes to make a quarterback into a more consistently accurate passer.

Contents

1. What a Championship Quarterback Looks Like
2. Intangibles
3. Relationship With Your Quarterback
4. How to Throw With Power, Accuracy, and Consistency
