

Fashion has the power to make you look and feel great. If you feel like you are well dressed and attractive this will affect your attitude and can make you more confident and feel in control. Fashion changes with the seasons and what was popular last year may not be what are in style this year. Then again, what hasn't been considered trendy in ten years may all of the sudden is the style again. It can be difficult to keep up with all of the latest styles and trends and at time can be overwhelming. If fabric patterns, colour coordination and complimentary tones weren't confusing enough we are also presented with a myriad of fabric types. It is helpful to have a foundational knowledge about fashion in order to understand your own personal styles, keep up with trends and to feel confident in the clothing choices you make. This book will help you to navigate your way through the fashion world. You will find out that you don't have to be a designer or a graduate from a fashion school to keep up with the latest trends and to look great while doing it. This book covers: What fashion is and how to understand it. Styling tips and tricks that every fashion girl should know, but doesn't. The latest fashion advice and the best fashion tips of all time. A fashion guide to help you navigate the trends for spring 2016. You will learn how you can make some of your favourite clothes last a bit longer, how to keep up with trends while complimenting your body type and how to create your own personal style using colours that compliment your features and much more. Don't spend another season in the dark, bring out your inner fashionista and stand out with confidence. Walk down the street like it's your own personal runway and own your style. Follow the advice provided in this guide and you will be able to go to the mall confident that what you purchase is going to turn heads and get people talking. You might even find people coming to you for fashion advice and you can choose to reveal your secret. Seamlessly make a trendy transition from professional work wear to chic outfits for a night out on the town with the girls. You will have the knowledge to look great no matter where you are going or what you are doing and make it look easy and natural.
