

Learning to grow spiritually is a lifelong adventure. The From Disciples to Disciplers series was developed to walk each participant on that journey of personal spiritual growth. Each of the six seasons (books) in the series contains 13 lessons for small groups, adult Sunday school, or 1-on-1 discipleship. You've developed and deepened your walk with Jesus; you've learned how to actually live it out among those people you most care about; and you've begun to discover how God has uniquely built you. Now: How do you take what God's shown you, and help others walk through the same process? If you're asking those questions, you're ready for Season 4: Growing Others. This study will help you reach out even further, and more deliberately. Call it mentoring, discipling, coaching, or just being a good Christian friend to someone who needs it! After this study, you'll be ready to come alongside anyone who's ready to have a deeper relationship with Jesus. Just like you were, at the beginning of your walk with Jesus.
