

Today's church is not reaching many of the lost, sick, and hurting because believers are not taking the authority and power they have been given through Christ and going out to the world as His body. Guillermo Maldonado believes that the gospel message being presented today is anemic because it is not accompanied by signs and wonders confirming that Jesus has been raised from the dead and is alive today, still able to heal, do miracles, and conquer the devil's oppression. Through this companion to Guillermo Maldonado's *How to Walk in the Supernatural Power of God*, you will: Recognize human substitutes for God's power Develop faith for the miraculous Seek God's anointing to carry out His calling Receive the glory that accompanies His supernatural presence Protect yourself from the devil's deception Learn to hear God's voice Overcome demonic attacks Understand how to operate in the supernatural Once you grasp the full revelation of our supernatural God and live in it, you will be able to reach the world for Christ!
