

Philip Hunt has found himself on the pillion seat of the leader of Mozambique's terrorist army, dodging rocks and rubber bullets on the Gaza Strip, and introducing Bob Hawke to Somali war lords. Journeys to Justice is the story of Philip Hunt's journey. It is a lively and fast-paced travelogue through some of the world's unique places - not usual tourist fare. But this is a book which offers insights into more than geography and culture - it also tracks an inner journey. The journey towards justice within Hunt himself. Hunt writes with flair and clarity about the challenges we face in making real a vision for a better world.
