

If cartoons dominate childrens lives, there are pillars of inspiration like Dr. Abdul Kalam, Dr. Kiran Bedi, Sachin Tendulkar, Amitabh Bachchan and A.R. Rahman who dominate their passions. Our aim is to inspire young minds by bringing these Legendary Lives closer to children. This series is a collection of stories based on real life anecdotes from one such legendary life. These anecdotes capture the human side that is often obscured by the stellar power of their achievements. The foremost goal of BookBox's Legendary Lives series is to inspire young minds by bringing these larger than life figures closer to children. About the stories on Dr A P J Abdul Kalam: A Lesson for my Teacher: Kalam and Ram were best friends in school but one day a teacher separated them. A touching story about how everyone learned a lesson. School Topper: Kalam's family made great sacrifices to admit him in a good school. But then he got into trouble with his math teacher. Will Kalam still be able to make his family proud of him? Designing a Fighter Jet: Kalam's professor warned him that his scholarship would end if he did not make a better design in three days. Could Kalam realize his dream of designing a fighter jet in such a short time? Failure to Success: Kalam and his team take the space programme to new heights by launching India's first satellite into orbit. Missile Man: Kalam's team face repeated failures as they try to launch the AGNI missile. How will he motivate his team to make this mission a success? BookBox Kindle Collections are sets of entertaining and educational stories for young children (4 to 10 years). Created based on a scientifically tested & proven approach our animated stories come alive to help children improve reading skills and comprehension. Visit our website www.bookbox.com to give your child online reading. Our applications are also available on iPhone App Store, Android and in various other formats. Using scientifically tested SLS (Same Language Subtitling SLS), children will be able to improve their listening comprehension, reading skills and foreign language skills through fun enchanting holiday stories that have been carefully handpicked from around the world. A portion of the proceeds goes to support literacy for billions through PlanetRead, a non-profit organization.
