

Hannah was desperate to conceive and cried out to God in her desperation. How desperate are believers, particularly in the Western church, to see Gods power poured out in miracles, signs, and wonders? Rachel Hickson calls readers to abandon status quo Christianity, embrace supernatural breakthrough, and become agents for kingdom change. She teaches readers how to alter the spiritual atmosphere of their churches, their cities, and even their nations, offering insights to help readers break past spiritual barrenness and see the life of God pour in. Hickson also includes inspirational case studies that show believers the incredible fruit they can look for when they expect more from their faith.
