

Luminous Nights is a finalist in the 2011 Golden Quill Contest for Best Sci-Fi! Find out why. Cop or convict? How many faces can one man own? An assassin wearing a holographic mask and a prison tattoo boards Rachels freighter during a prison riot. He is intent on recovering gadgets, which are capable of changing a mans identity, from the black-market gang whod stolen them. Shes not sure of Jacks identity nor his goal, but he claims to be an Alliance I-Marshal. Cop or convict? The clues never stop contradicting. Rachels horrified to find that the bright holographic mask conceals the gruesome face of a monster. And the badge doesnt stop him from murdering people right before her eyes. When Rachel learns Jack will trade innocent lives for the digital miracles, shes determined to make the mercenary grow a heart. How could a stone-cold killer kiss her so hotly? How could she kiss such a dangerous deceiver? Jack has done years in prison to learn whod stolen the remaining Gemini ticks, 3-D magic. Nothing will keep him from gaining extreme-technology, capable of unleashing galaxy-wide chaos. Forget feelings for Rachel. She cant stop him from killing everyone involved. ***Look for I-Marshal Stories sequels: Vigilant and Gangbusters. The stories may be read in no particular order. Read cool excerpts, catch fabulous reviews, watch a mysterious book trailer at ILoveShape-shifters.com.
