

Thanks to the iPhone, many more of us have a camera in our pocket. But, like any art, perfect photography takes time. (Maybe not so much money wasted on roll upon roll of 35mm film, but still.) That's why we put together this book, our attempt to help you glide through the rough patches and onto photographic stardom. This book explains it all: the nitty-gritty bits of taking pictures, editing and sharing your work, and using third-party apps and accessories to move from mischief to mastery. We still can't teach you to have fun, or love your iPhone camera. But with any luck, this book will put you on that path.
