

As a former thief, drug abuser, street-fighting trouble-maker, Mr. Applebee was heading for disaster. However, one day he was listening to a radio talk show host and it changed his life forever. He never cared about morality until this faceless voice over the airwaves made it perfectly clear to him he wasn't going anywhere in life unless he understood what virtues and values were all about, and from that moment on, he made up his mind to study the world's religions and philosophies in order to discover for himself the meaning of life and what it meant to be a truly moral human being.
