

THE FLIRTY 30™S represents fashion designs created by my mother, Erna Esther Blatt-Solomon during the 1930™s. Her desired goal was to be a fashion designer. In a challenging decade of history, the illustrations create a visual feast for those hungry for fashion delights. I have included my whimsical interpretation of her gift to me. I am honored and privileged to share these inherited drawings through this book. -Andrea Willow Visit: www.andreawillow.com
