

THE JEHOVAH CONTRACT Victor Komans Prometheus Award-winning novel is back in a new edition! A dying assassin is given one final assignment and one last chance for survival. The job: find God Almighty and destroy Him. The payment: eternal life. With the aid of a mysterious trio of women -- a beautiful lady gambler, an ancient Hollywood witch, and a telepathic hooker -- Dell Ammo breaches the gates of Heaven and Hell to pull the Cosmic Trigger. Before *The DaVinci Code*, before the *Left Behind* series, *The Jehovah Contract* set the standard for adventurous, over-the-edge religious fiction. Hard-boiled assassin Dell Ammo must become a harder-boiled detective in order to track down a God he doesn't even think exists. He enlists the reluctant assistance of blond bombshell Anne Perrine -- a woman with the uncanny ability to beat the gaming tables of the underworld metropolis Auberger. In that crime-ridden realm buried beneath the streets of Los Angeles, Dell discovers an even greater danger -- the religious conspiracy known only as the Ecclesia, dedicated to protecting God at any cost. In a climactic final battle worthy of Philip K. Dick at his most imaginatively paranoid, Dell Ammo clashes with the Almighty in all His varied forms, leading to a confrontation that rocks the universe. A fascinating concept, imaginatively delivered. -- Ray Bradbury A most unusual and entertaining work of satirical SF. -- Publishers Weekly A novel of cosmic -- and comic -- proportions. -- Library Journal Explodes like a string of firecrackers ... The suspense never lets up ... I highly recommend it. -- Robert Anton Wilson **THE JEHOVAH CONTRACT** will surely be excoriated in religious and literary circles, but this damnation of God should be pondered objectively by both believers and nonbelievers. It is a good, thought-provoking effort that is that rarity in fiction: philosophy that entertains. -- Piers Anthony A parody of a Chanderlesque detective novel that can hold its own with Chandler and the best of his followers. -- San Jose Mercury-News Crammed with elements calculated to outrage nearly everyone.... -- The Denver Post **THE JEHOVAH CONTRACT...** is conceptually audacious to the max. -- Norman Spinrad Audacious ... a fine combination of logic and madness. -- Robert Shea I wholeheartedly recommend this Mission Impossible/Phillip Marlowe/Mike Hammer/John Milton Faith Opera. -- Philip Jose Farmer Victor Komans screenplay of *The Jehovah Contract* has been optioned for film. Ray Bradbury says of him, Would that there were a dozen more writers like him in the field. Komans short stories have appeared in publications such as *The Magazine of Fantasy & Science Fiction*, *Galaxy*, and the anthologies *Weird Menace*, *The King is Dead: Tales of Elvis Post-Mortem*, the *Dark Destiny* collections, and *Free Space*. He lives in southern California with his wife, Veronica, and daughter, Vanessa, as well as their cat, Kali. Komans graduated summa cum laude from Redlands University in 2001 as a Bachelor of Science in Information Systems. In 2004, he received his MBA from Pepperdine University.
