

The Reboot: Over 50 and Starting Over! So you are over the age of 50 and you find your life is somewhat 'uneventful' perhaps boring. You ask yourself every day: 'is this all there is to life?' Where has my youth gone you openly wonder. Perhaps you have weathered the storm of a lengthy and emotional divorce?! Or even worse, you're still trying to survive a job layoff. What do you do? How do you recover from this? Am I too old to be living the life I truly desire to live? The Reboot: Over 50 and Starting Over! will get you pointed in a very firm and solid direction in moving your life forward if you are a person over the age of 50. Your life is not over! As a matter of fact the next 10 to 20 years can be the best part of your life if you set out to design it to be that way! In this book we will discuss such topics as: - How to survive a divorce - How to change your life and set it in a brand new and exciting direction. - The secret to setting goals that will move your life where you want to go. - Older and tired all the time? We show you how to become very fit. - Lost your job? We show you how to go about finding a job or a new career. - Tired of being depressed and having low self-esteem? We tackle this issue as well! - Are you considered boring? We will make you the most interesting person you know. Being older does not mean your life starts to take a backseat to other responsibilities. It's time to get out there and start living life to its fullest. And it's time you take full accountability of the direction your life is heading! Being over 50 and wanting to start your life over is very common for most people. We can guarantee that once you are done reading this book you will have a new outlook on where your life can go despite being 53, 62 or 71 years of age!
