

Two victims have already disappeared without a trace, after being lured into committing acts which were not altogether lawful. Is there some Judge-Executioner in town, on a clean-up assignment behind these disappearances? Yeshaya Bar-Tahara , is a member of The Society - a group of highly skilled Sitrah Ahrah Busters. Hes in town all right, but hed promised his wife, Yael, he would really minimize his activities in The Society; after all, theyre expecting...and the last time he was at it, was almost his last time - as residence of This World. But minimize is not a very clear statement, and when Yeshaya (he does not know yet about his second name â€“ Bar-Tahara) hears about these disappearances, he just cant help it, to Yaels great dismay. Only he doesnt know, its not only himself he jeopardizes, accepting the challenge. The Sixth Chalice, book 1 in The Chronicles of Yeshaya Bar-Tahara is a fantasy horror thriller, perhaps the first of its kind. Its mix of genres is perhaps a reflection of its authors unique course in life, approaching Judaism & Jewish Culture from a cosmopolitan non religious starting point, nearing Judaism and religious practice while incorporating, rather than forgetting, the past. Book 2 Permission to See is now available too.
