

This is the perfect introductory kit for anyone who wants to learn how to render beautiful landscape paintings in watercolor. Inside is everything needed to get started, including a full-color project book filled with inspiration and ideas. The project book begins with information on art tools and materials and then covers the basics, such as watercolor painting techniques and color theory. It also includes seven complete watercolor landscape painting lessons to follow and learn. Each project is accompanied by clear instructions, helpful tips, and step-by-step illustrations, all of which ensure successful results. Beginning artists will discover how easy it is to apply a variety of fundamental techniques, resulting in impressive works of art! This kit makes an ideal gift because the paints are safe and easy to use and the book teaches skills that can be applied for a lifetime. More important, it allows everyone to discover the artist within themselves.
