

The following work (for eight years past the subject of study and meditation in the leisure hours of a busy life) was completed early in the present year. It has not been prepared for those who have themselves studied the subject deeply: the author does not presume to think that he has anything new to tell them. He has rewritten the history of the campaign of 1815 for three reasons. First, because he honestly believes that there is no account of it in Eng Ush, at once foil, well-arranged, accurate, and adapted for general reading; secondly, because foreign histories are not exact, and, if they were, are not accessible to the bulk of Englishmen; thirdly, because recent and passing events have made it desirable (especially when we are asked to put faith in France, and to disarm) that attention should be recalled to the period of her grandest attempt to become dominant in Europe. That there is in Fraaee a laie party who profess hones Uynot to desire aggrandizement, the author is willing to be Ueve.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
